

Sutter Medical Center of Santa Rosa Online PACS Access

Images viewed offsite are for reference only and
NOT APPROVED by the FDA
for diagnostic interpretation.

These instructions are specifically for non-hospital PACS Access (from a non-hospital office or home, using a token)

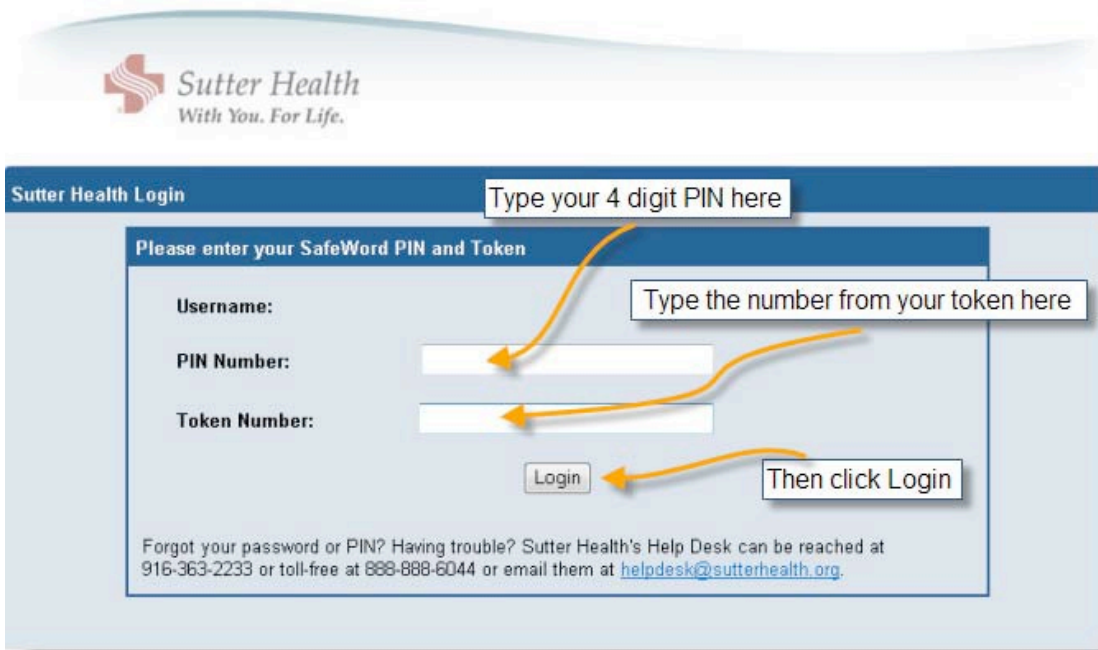

1. Open Internet Explorer and go to <http://pacs.sr.sutterhealth.org>

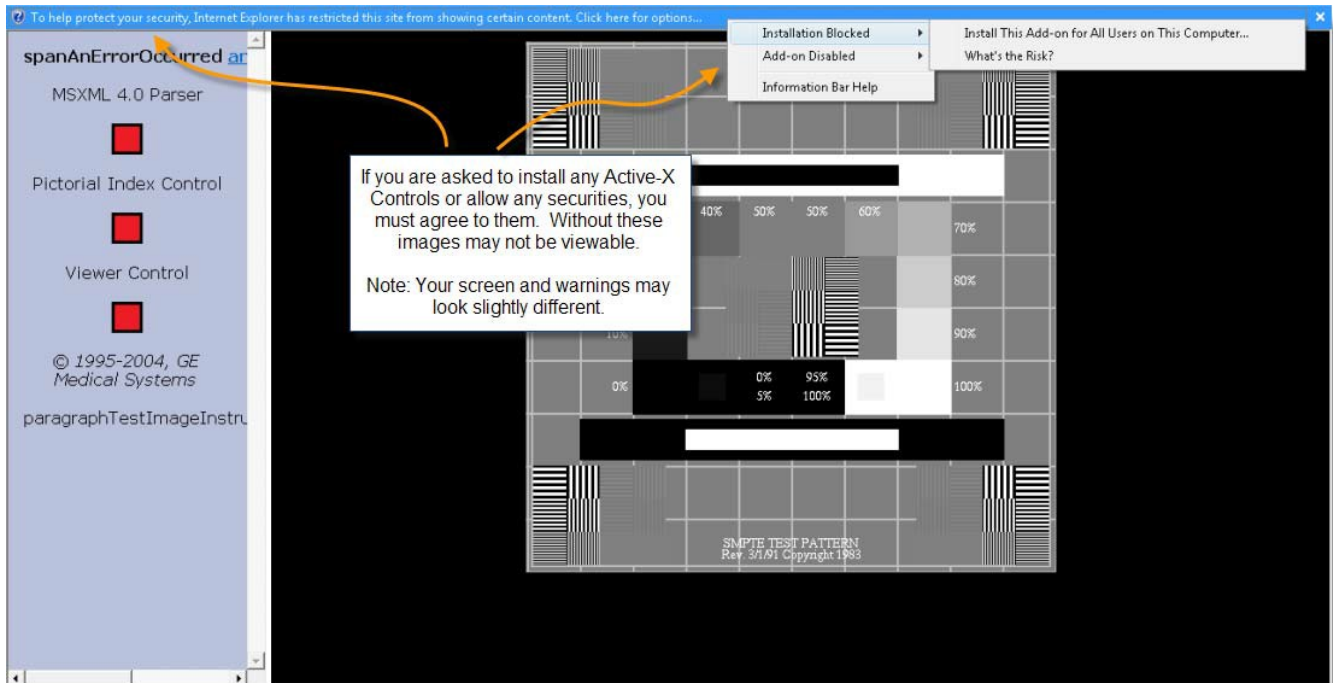

2. Enter your username and click the Login button

A screenshot of the Sutter Health Login page. The page features the Sutter Health logo and tagline "With You. For Life." at the top. Below the logo is a blue header with the text "Sutter Health Login". The main content area has a dark blue bar with the text "Please enter your Username". Below this is a form with a "Username:" label and an input field. A callout box with an arrow points to the input field with the text "Type your user name here". Below the input field is a "Login" button. Another callout box with an arrow points to the "Login" button with the text "Then click here to login". At the bottom of the form, there is a link for help: "Forgot your password or PIN? Having trouble? Sutter Health's Help Desk can be reached at 916-363-2233 or toll-free at 888-888-6044 or email them at helpdesk@sutterhealth.org."

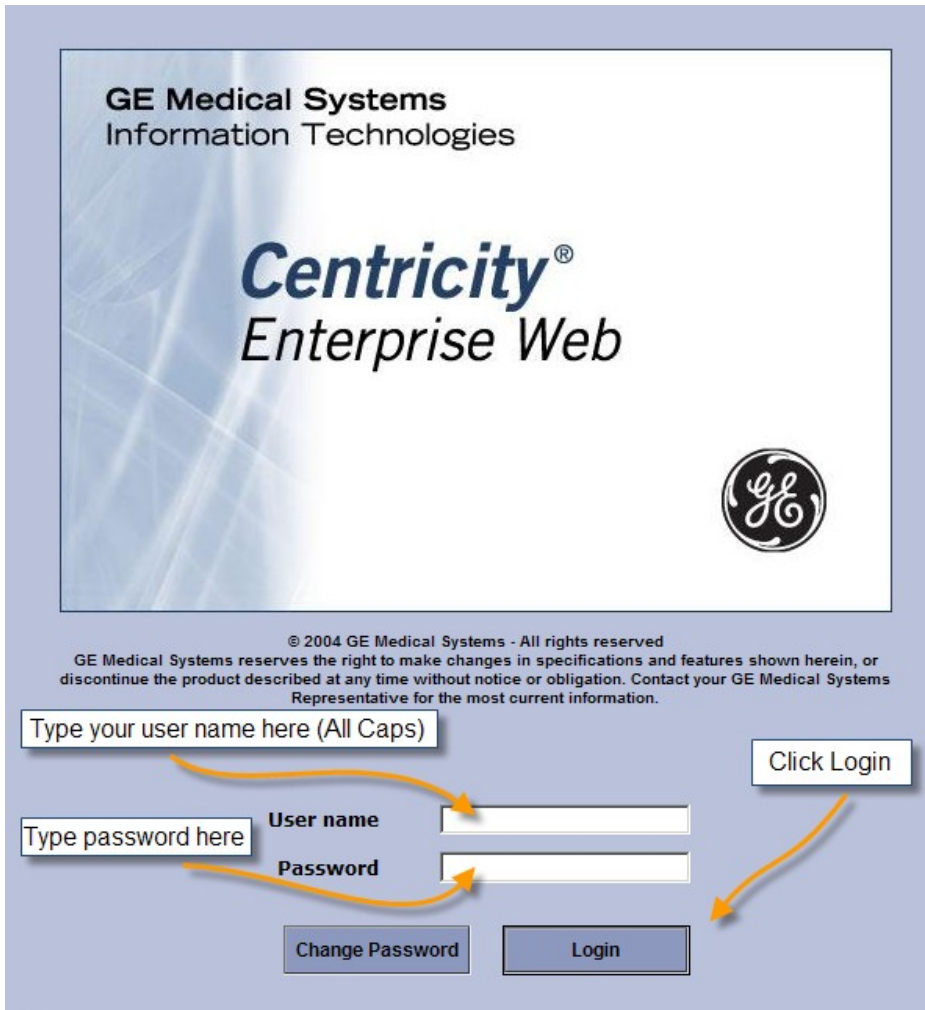

3. Enter your 4 digit PIN number in the top box and your Token code below

4. If you see a screen similar to below you will have to allow installation to view images.

5. Enter your Centricity login credentials.

Your login information is as follows:

Username:

Password:

Token PIN:

On your first login you will need to click the “Change Password” button instead of “Login” and choose a password of your own.

If you have any issues logging in or using the Centricity Web system, please see below for contact information:
