The Northern California Breast Cancer Symposium

Now in its fourth year the Symposium has educated hundreds of Bay Area specialists, surgeons, primary care physicians, and nurse practitioners. Each year the Symposium seeks to *raise the bar* for breast cancer care and treatment in the Bay Area by hosting nationally renowned speakers to discuss advances in the treatment, detection, and prevention of breast cancer.

Goals for the Symposium this year include:

- Improve knowledge base for primary care physicians regarding state-of-the-art diagnostic and treatment modalities
- Present data regarding cost-effective and high quality breast screening and the work-up of abnormal findings on breast physical examination
- Advance surgical treatment of breast cancer
- Present new information about the benefits and risks of various medical therapies for advanced breast cancer
- Discuss emerging technologies in the early detection of breast cancer
- Discuss the important and emerging role of supportive complementary therapies for patients undergoing conventional therapies for the treatment and diagnosis of breast cancer
-

Continuing Medical Education

The Sutter Medical Center of Santa Rosa is accredited by the Institute of Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. The Sutter Medical Center of Santa Rosa takes responsibility for the content, quality and scientific integrity of this CME Activity.

Sutter Medical Center of Santa Rosa designates this educational activity for a maximum of 7 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

We Hope You Will Join Us!
